

LINK IT!

Christina de la Mare, Diana Pye, Louis Rogers and Claire Thacker • A1–B1+/B2

Linking your world together

Link It! is a six-level course that develops your students' communication competences and provides integrated support for Cambridge exams. With its well-rounded approach, **Link It!** creates confident communicators ready to achieve success.

- Dedicated *Let's Talk About...* lessons build communication competences and teach students to communicate in English with confidence.
- The assessment package prepares students for a successful future with integrated exam support.
- Global skills activities encourage critical thinking and prepare students for the real world.

For Students

- Student Book
- Workbook
- Practice Kit & Videos

For Teachers

- Teacher's Guide
- Classroom Presentation Tool
- Teacher's Resource Center and access to Practice Kit

- Inclusive resources cater for all learning styles and help every student succeed. Includes specially adapted tests, mind maps and worksheets for students with dyslexia.
- A variety of videos model real English in use. *Let's talk about...* videos demonstrate functional language, Culture videos widen students' perspectives, and Vlogs and Video Link sections feature teenagers in relatable scenarios.
- The Practice Kit provides 30 hours of online skills and language practice outside of class.
